

STOP THE CUTS TO SCHOOL READINESS AND VPK FUNDING!

- My child's education is worth more than the cost of a latte.

Name Brand Latte \$4.87	VPK Funding (current hourly) \$4.76
-----------------------------------	--

- Research shows children from quality early learning programs have:
 - Increased high school graduation rates
 - Lower arrest records
 - Lower rate of violent crimes
 - Reduced grade retention and need for remediation
 - Reduced need for social services as an adult

Investing now will save later!

Maintain Quality by Maintaining Funding
Vote NO on Budget Cuts to Early Learning Programs!

I need quality early learning services and pre-kindergarten for my child. Further cuts to early learning programs will be detrimental not only to my child, but to Florida's workforce and economy.
