## Teachers and Program Staff

Do you have a concern about a child's development, behavior or overall health? If so, contact the Early Learning Coalition of the Big Bend Region, Inc. (ELC). The ELC provides a complimentary service to address and appropriately handle these types of concerns. We are here to help.

### Developmental Screening and Support

Perform developmental screenings and observations for children with developmental concerns

Connect families to community resources providing developmental evaluations and services

### Health Screening and Support

Provide information and support on child health/medical conditions

Coordinate with healthcare professionals to create Individual Health Plans for children with asthma, seizures, allergies, and other medical conditions

### Social-Emotional Screening and Support

Support teachers and parents through providing:

- Strategies that modify challenging behaviors
- Screenings that monitor social emotional health
- Connect to Behavioral Health and counseling community resources

### Technical Assistance

Provide information and support on the inclusion of children with special health and developmental needs

...IF YOU DON'T CALL, WHO WILL?
